Our team

Attached to this document is your adviser's profile. The profile contains information about your adviser; their contact details, qualifications, experience and any memberships they may hold. It also outlines the types of advice, strategies and products about which your adviser can provide advice as well as the fees charged for their services.

Documents you may receive

We will provide you a number of documents as you progress through our financial planning process. When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we will receive as a result of the advice we have provided.

If we provide further personal advice, a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you, we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where

relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage your investment or insurance.

Advice we can provide

Our financial planning process

We treat each client as an individual and our advice process allows us to tailor a plan that best meets your goals.

Identify your goals

We help you identify your financial and lifestyle goals. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We help you to identify the range of issues that need to be addressed to meet your goals. You may choose to address some or all goals and issues.

Consider the opportunities and risks

We assess your current situation and investigate a range of strategies and financial product options for you to reach your goals.

Bridging the gap

Based on discussions with you and the research conducted by us, we will devise a strategy to bridge the gap between where you are now and where you want to be.

Bring your plan to life

We work closely with you to implement your financial strategy. We help you complete any necessary paperwork and we're available to attend meetings with your accountant, solicitor and general insurer so your strategy is implemented efficiently.

Staying on track

With time, your circumstances will change and your financial plan will need to be adjusted. We design an ongoing service program to ensure your plan stays on track to meet your goals.

Sometimes life takes us in unplanned directions. When you need a little extra help, just ask us for additional advice. We are there to help you – whatever the occasion.

Approved products

Charter maintains a broad approved list, containing investment and insurance products that have been researched by a number of external research houses as well as our in-house research team. It includes products issued by AMP companies and a diversified selection of Australian and International fund managers.

Charter periodically reviews the products on the approved list to ensure they remain competitive with similar products to address your needs and objectives.

A copy of the approved list of products and services can be supplied to you upon request.

Generally, we recommend products and portfolio administration services (PAS) which are on the approved list, provided they are appropriate to your needs. This may entitle us and Charter to receive additional benefits as disclosed in the other benefits section of this FSG. However, we may, subject to Charter's approval, recommend other products and PASs where it is appropriate for you.

Transaction services

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply for the kinds of products referred to in your adviser's profile. In these cases, we can act on your instructions and arrange for the transaction to be complete without providing you with personal advice.

In these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter to acknowledge you have declined our offer of advice and that you understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

You can contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email.

The cost of our advice

Advice costs

The fees charged for our advice may be based on a combination of:

- A set dollar amount; or
- A percentage of the funds that you invest.

Initial advice

This covers the cost of researching and preparing your financial plan and is based on a set dollar amount.

Before providing you with initial advice we will prepare an Initial Advice Agreement. The agreement sets out what our initial advice covers and how much it costs.

The initial advice fee will also be disclosed in your SoA.

Advice implementation

This is the cost to implement the recommended strategies and products and is based on a set dollar amount.

It is usually disclosed in your initial advice agreement and it will also be disclosed in your SoA.

Ongoing advice

An ongoing advice agreement will set out our support packages including the advice and services we will provide, the frequency these will be delivered, how much it will cost, your payment method and how the service can be terminated.

The fee covers the cost to review the strategies and the products recommended in your SoA. It may be charged as a set dollar amount or a percentage of your investments.

Ongoing advice fees may increase each year in line with the Consumer Price Index (CPI) or by a fixed amount or fixed percentage each year. We will advise you if this fee will increase as a result of CPI.

Additional advice

For all other advice, an additional advice fee, based on a set dollar amount, may be payable.

Insurance

For advice in relation to insurance, we receive payments from the insurance provider, which are factored into the annual premium. These may range from:

- 0% to 130% of the first year's insurance premium paid, and/or
- An ongoing payment of between 0% and 33% per annum of the following years' premium.

Payment methods

We offer you the following payment options for payment of our advice fees:

- Bpay, direct debit (credit card or savings) and cheque
- Deduction from your investment

Payments from other professionals

You may be referred to an external specialist to receive further advice. We may receive a referral fee or commission for introducing you to the specialist. The details of our current referral arrangements are explained below. If the value of a referral fee is not known to us until we provide you with advice, this will be disclosed in your Statement of Advice if applicable.

- You may be referred to AMP Bank for home and business lending services. We receive Up to 0.65% initial commission and up to 0.25% ongoing commission. For example, for a loan of \$100,000, we would receive up to \$650 initial commission and up to \$250 ongoing commission.

Distribution of fees

Our advice costs and payments from other professionals are received by Charter as the Licensee. They typically retain 3% (may be scaled down to 0%) of these payments and distribute the remaining amount to us.

Please refer to your adviser profile for more information about how your adviser is paid.

Other benefits we may receive

We may be offered or receive non-monetary benefits such as entertainment or sponsorship from some product providers at no extra cost to you. Both Fortem Advice and Charter maintain a register to record the non-monetary benefits we have received. A copy of this register will be made available within one month of a request.

Development, management and advice recognition

- Up to 50% of Charter Financial Planning Limited practices' may qualify to receive a DMA payment to recognise and reward, growth and professionalism. The DMA payment may range from 0% to 5% of revenue depending on our ranking based on a scorecard with points allocated for service and advice quality, compliance rating, business goals and client engagement through a measure called Advice Growth Index (AGI). AGI measures the value of my fee for service payments and the growth in the value of our clients' product holdings over the previous year. For example, if my DMA is set at 1% and my revenue for the year was \$200,000, I would receive a total of \$2,000 for that year, paid over two instalments.

Business start up costs

- Including an interest free business loan of \$150,000 and assistance with business set up costs, valued at approximately \$15,000. Buy out option
- We are eligible to sell our client base to Charter. The value of the sale is based on a multiple of the ongoing revenue generated from financial products.

Business loans

- We are eligible to receive finance for approved business costs at subsidised rates through AMP Bank.
